

Temple Israel Membership Form

WHO WE ARE:

An exciting congregation serving the Greater Kansas City area, Temple Israel seeks to be the area's most inclusive and congregant-centric Jewish organization, where every member and family will feel needed and empowered as an integral part of our Jewish community.

WHAT WE DO:

Led by Rabbi Jacques Cukierkorn, Temple Israel is a progressive Reform congregation: tolerant and international, participatory and flexible and, above all, warm and welcoming to both Jewish and interfaith families. Whether you come to Judaism by birth, conversion or marriage, Temple Israel is here to help you make Judaism a more important part of your life—in whatever ways suit your interests, means, lifestyles and beliefs.

CONCIERGE JUDAISM:

Each member may work closely with the Rabbi and other congregants to design an individualized program to meet his or her needs.

BENEFITS OF FULL MEMBERSHIP:

Full membership affords you access to the following and more:

- Temple services and Temple-related activities (such as Torah study groups, educational opportunities for adults and children, B'nai Mitzvah study, family services)
- Individualized Jewish educational program for all family members
- Life cycle rituals led by our Rabbi
- Personal access to the Rabbi as spiritual advisor and educator
- Support of a welcoming congregation

PARTICIPATION:

At Temple Israel, we encourage participation in a Jewish life—on your schedule, to fit your interests and according to your lifestyle. Participation begins with membership.

MEMBERSHIP:

You may join as a family or as an individual. Consider also making special gifts. One-time donations in addition to the annual dues contribution are always welcomed. Please feel free to talk to the Rabbi or a Temple Israel officer for ideas to make your donation especially meaningful and important to you and your family.
